Hi Kat,

Here are the details! My phone number is at the bottom too so you can let us know when you arrive. The ticket also gives you access to the Discovery Zone at the SC center which you can obviously visit before or after the trip. The SC does have the right to cancel the trip due to weather. If they do they will refund and we can book on another time!

See you on Saturday :)

Jude

**SCOTTISH SEABIRD CENTRE ONLINE BOOKINGS E-TICKET****REFERENCE NO: 2209181400FW7QT**

The required payment due on this booking has been charged to your credit/debit card.

Please print (or show on a phone) and present this e-ticket as follows;

Seafari Rib Trips, Seabird Cruise, Isle of May Landing trips or Forth Ferry Departures from North Berwick

Boarding passes will be issued 20 minutes prior to sailing time, present this e-ticket at our booking office, located at North Berwick harbour. Under 3s are FREE but must still be booked a seat on our boat trips. Note that the minimum age for a Rib trip is 7 years old

Bass Rock Landing

Please present this e-ticket to your guide who will be at the departure harbour (North Berwick – please check your booking for the departure harbour) awaiting your arrival, 20-30 minutes prior to departure.

WARNING

Our Bass Rock landing trip is an amazing experience; however, it can be a very challenging environment, even in good weather. Weather conditions can change very quickly and the terrain is very rough. In order to ensure the safety of all passengers and our staff, suitable clothing must be worn (waterproofs, boots, warm hats, gloves or sun hat, glasses and sunscreen) depending on the conditions. We do not provide weather proof clothing for this trip, only a life jacket. The nature of the landing facilities on the rock, combined with the departure method from the boat, requires us to ensure that only passengers with good physical mobility and a sense of balance, will be permitted to travel.

Please note that we reserve the right to refuse boarding or landing, if our guide and or skipper are concerned about your clothing or level of mobility. This will be assessed at the departure point. We are unable to provide a refund should this situation occur. If you are unsure as to what to wear or your level of mobility, please call our boat office and seek advice before booking. You may wish to consider one of our alternative non-landing trips should you be unable to experience the Bass Rock Landing trip.

Forth Ferry from Anstruther

As we have no booking office at Anstruther, just present your booking confirmation slip when boarding the vessel. The embarkation point is at the steps at the harbour entrance on the west pier below the lighthouse. There is a sign at the top of the steps.

Please note North Berwick is a very popular destination over the summer, please allow extra time to find parking as spaces at the Harbour and shore front are limited. Alternatively, if travelling by Train, the Edinburgh to North Berwick train service could be affected by any planned strike actions, so please check your travel arrangements in advance as we do not want our customers to miss the boat!

Sailing Schedule:

Seabird Catamaran Cruise departing on 22/09/2018 at 14:00 PM
